

Official Pet Rock Care Guide & Certificate of Adoption

Name of Rock: _____ Adoption Date: _____

Care Instructions:

Feeding: None. It's on a strict air-only diet. Occasional compliments welcome.

Watering: Not required. Hates being soggy. (Seriously. No baths.)

Exercise: Optional. It's naturally a solid unit. You can toss it... gently.

Grooming: Wipe with a soft cloth. Shine optional. No glitter necessary (or advised).

Sleep: Always napping. Will never keep you up. (Snore-free guarantee.)

Emotional Support Services: - Listens without interrupting - Never judges - Makes you look emotionally balanced by comparison

You May:

- Talk to it. It's a rockstar listener.
- Bring it on road trips or to awkward family dinners.
- Give it a ridiculous name.

You May NOT:

- Feed it after midnight.
- Blame it for anything.
- Enter it in a talent show. It freezes up under pressure.

CONGRATULATIONS!

You are now the legal-ish guardian of a Certified Companion Rock.
