

CONGRATULATIONS!

Someone out there thinks your sock drawer needs a serious upgrade
(and they're absolutely right).

You've just been enrolled in the PEDI CRIMES Sock Subscription
from Loco and Company, which means cute, bold, and totally unexpected
socks will magically appear at your door each month for _____ months.

Get ready to strut, laugh, and wonder how you ever lived without them.
Because life's too short for boring socks.
Enjoy the ride (and the Socks)!
